

MCL CREDIT UNION

Credit unions typically have lower fees and higher interest rates on deposits, and you can't beat the emphasis on customer service. Credit union tellers, representatives and loan officers understand the industries their union members work in and know what type of services members need throughout the year.

In the aftermath of the Great Recession, credit union board members voted to give union members the option to skip two mortgage payments to help out with financial hardship. Ask yourself – would a private bank ever do that?

Our credit union exists solely to serve our union members by providing financial products on the most favorable terms we can afford to offer – and that is what we do best.

BANKS ARE FOR PROFIT. CREDIT UNIONS ARE FOR PEOPLE.
